SAU Library Workshop

APA style for Web sources

**Article from an online magazine:**

**NOTICE there is no blue hyperlink or period on the URL!!**

**Content of a web page (not a journal or periodical):**

**NO AUTHOR? Then title first:**

**IN-TEXT CITATION for above**
*(Criteria for selection, n.d., para. 2).*

If no date is listed, there must still be a date element. Use the initials in lower case with periods n.d. in place of a year.

You may always show your References list to a librarian before handing in your paper.

We will help you make corrections in both the References list AND the in-text citations.
