Interlibrary Loan
Questions? Call 563-333-6245 or 563-333-6467

1. Log into the Library’s portal page https://mysau.sau.edu/Academics/Library/Pages/default.aspx
2. Enter your SAU network ID credentials. This is the same login information you use for Blackboard, Beeline, and to log into computers on campus.

3. Once you are in the portal, the Interlibrary Loan link is under the Helpful Links menu on the far right of your screen.

4. Log in AGAIN (sorry) using your network ID.

5. The first time you log into the Interlibrary Loan system, it will ask you to fill in contact information for your account. This is a one-time extra step! You will not be asked to do this in subsequent logins.

6. You can now view and track your requests!

Fun fact: You also have access to Interlibrary Loan via your local public library. This is a service you can use even after you graduate.
